The colonel says New Birmingham wants the Texas. Trunk road extended from its present terminus to some point in the Southeast via New Birmingham. The route to New Orleans via New Birmingham than is as short as any that can be run, and will open up the vast pineries of East. Texas now untouched by railroads, as well as the Iron fields. Since Hantington has obtained possession of the Trunk it is thought be will extend it. If he wishes to come twith the East Texas and Sobine railway, the most practical route is via New Birmingham to Rockland. Col. Gore is express ousliness here is to see the railroad men so as to passent them facts and figures as to the practicability of all extensions to be done via New Birmingham.

The colonel says that the sixty-ten furnace is now running full time, and that by December 1 the twenty-five ton daily capacity pipeworks will be ready to put their catput on the market. Railroads are wanted to the West so that cheap rates can be obtained.

#### Hardin Ludles' College

This College owes its existence to the liber-ollty of Ex-Governor C. H. Hardin, whose con-ributions to it amount to \$2,000, besides many thousands to others. The follow-in is an accurate exhibit of the property of be college. Value of grounds and buildings, 75,000 endowment. \$15,000; scientific apparathe college. Value of grounds and buildings, 155,000; endowment, \$15,000; seigntific apparatus, \$2500; steam heating apparatus, \$2500; steam debt. By the terms of Governor Harvills gift, \$9 per cent of the income from the endowment shall return to increase the endowment, until that fund shall reach ONE-HALF MILLION BOLLARS.

Thus the permanency and wealth of the institution are as well assured as human affairs San be.

Since the foundation of the college, eighteen years ago, its steady increase of patronage, year after year from Missouri and from other states in the South and West, is in the highest degree gratifying to its friends, and furnishes abundant evidence that the thinking public appreciate the great work that is being done by Hardin College.

The college is located at Mexico, Mo., at the crossing of two great trunk lines of railroad, the Chicago and Alton and the Wabnsh Western.
